**Construction Activities - October 3 to October 11, 2014**

As part of the Riverside County Transportation Commission's 91 Project in Corona and Riverside, construction crews will conduct numerous activities on the 15 and the 91. Noise can be expected with these activities. For the safety of construction workers and the motoring public, closures will be needed. Following are details for work taking place Friday night, October 3 to Saturday morning, October 11, 2014.

Please note that a full closure of the 91 in the eastbound and westbound directions between E. Grand Boulevard and the 15 is necessary to remove overhead power lines. The closure itself is expected to take approximately 30 minutes to complete and will occur at some point between 2 and 4 a.m. on Sunday, October 5. CHP will conduct a traffic break. As soon as the power lines are cleared from the roadway, CHP will lift the closure. The southbound and northbound 15 to westbound 91 will also be closed during this time for the activity.

NOTE: Information contained in the Construction Alert is subject to change without notice, based on weather, field conditions or other operational factors.

<b>Location</b>	<b>Date and Time</b>	<b>Detour</b>
<b>Ramp Closures -</b> <b>Intermittent and only as</b> <b>needed within specified</b> <b>time; no two consecutive</b>		

<b>ramps closed at the same time</b>

Safety is RCTC's highest priority, so please:

- Slow down and watch for workers and heavy equipment
- Allow extra time to get to work, school or appointments
- Tell friends or customers about construction activity
- Be extra careful when driving at night and in rainy weather
- Avoid mobile phone use or other distractions when driving through this area
- Watch for lane and ramp closures, use alternate routes and follow detours
- Obey the "Move Over" Law, which requires you to move to lanes away from any construction work, when it's safe to do so
- Remember that this is a short-term inconvenience for long-term mobility benefits
